Tom Myrick has a wide range of civil trial experience, including frequent appearances in both state and federal trial and appellate courts, with particular experience in business related litigation.

He has been first chair trial counsel through verdict in dozens of civil jury trials, including trials that lasted up to four months. His practice has recently been focused on handling significant commercial cases involving sophisticated damage theories.

Myrick also counsels clients engaged in complex business combinations on methods to minimize their exposure to litigation. He speaks regularly to groups of trial attorneys around the country about ongoing developments in the law.
